

A SPIRITUAL JOURNEY INTO

# THE ROB O THE R E

## 10 DAY FAST JANUARY 8 - 17

---

The ALC 10-Day Fast for January 8-17, 2026 is a spiritual journey into REHOBOTH— “The Lord has made room for us, and we will flourish in the land.” (Genesis 26:22).

As we begin this new season, God is calling us beyond survival, beyond contention, and beyond limitation into a wide open space of divine rest, peace, and fruitfulness.

This fast is about digging again, letting go of old battles, trusting God through opposition, and positioning ourselves for overflow without struggle. As Isaac moved from famine to favor, so shall we.
